

phonica

AUTOMATIC • SEMIAUTOMATIC

1 gr. • 2 gr. compact • 2 gr. • 3 gr.

Inspired by Ray Charles' life, with its design that recalls the shape of the microphones of an unforgettable epoch, Phonica wants to be a tribute to those big and unrepeatable voices of the 20th century, that will always remain in the history of music.

Phonica is a professional espresso coffee and cappuccino machine available in the automatic and semiautomatic versions with normal and raised E61 groups (1 gr., 2 gr. compact, 2 gr., 3 gr.) available with programmable portion control (only the automatic models), dual gauges for boiler and pump pressure control, boiler and pipes of copper, pipes fittings of brass, frame of pure polished and satined-stainless steel AISI 304 finished of methacrylate.

Phonica semiautomatic 2 groups is also available with KIT GAS.

Optionals: electric cup-warmer, mixed hot water outlet, outside motor pump, cappuccino maker, milk frothing wand, serial interface for external connection, foot pedal for steam wand, technical and aesthetic customization.
